- The total amount may not equal the sum of subtotals, as sales figures have had amounts of less than one million yen truncated.
- The above net sales figures comprise just the amounts accrued at the parent company and do not include those of the Dentsu Group subsidiaries in Japan. They therefore do not represent the total size of the business in Japan. In the Interactive Media (digital-related business) category in particular, there is a significant gap between Dentsu Inc. and the Group as a whole. For further details on the scale of digital domain operations in Japan, please refer to the "Regional Information –Gross Profit–" slide in the respective quarterly results presentations provided in the Investor Center section of the Dentsu Inc. website.
- OOH (Out Of Home) Media consists of transit advertising, outdoor advertising, advertising inserts, flyers, direct mail, etc.
